Music & Worship

There are many things you can seek to live for in life. You can live for a lot of things. You can live for your physical appearance. You can live for a successful career. You can live for pleasure. But here is what Jesus said: "Seek the Kingdom of God above all else, and live righteously, and he will give you everything you need" (Matthew 6:33 NLT).

When the day is done, you want to have a good name and a good reputation. Proverbs 22:1 says, "Choose a good reputation over great riches; being held in high esteem is better than silver or gold" (NLT).

Seek first the kingdom of God. If you want a life free of worry, anxiety, and fear, then put God's kingdom before everything else. Seek Him first, and He will take care of you.

Since the founding of Second Baptist Church, God has blessed His faithful believers with not only the vision to reach Lancaster County and beyond for Christ, but also the means to accomplish the vision. Throughout the years God has blessed Second Baptist with room for growth and the financial resources to pay for our facilities.

From our first sanctuary on Brooklyn Avenue, to our campus on Great Falls Hwy, God has lead us to build a Worship Center, an education building, a children's education wing, a youth building, and most recently our Family Ministry Center. With each addition, we have seen God use these facilities for His Glory. Many families and lives have been changed because Second Baptist has been faithful to respond when God has called us to move.

The sanctuary you are sitting in today was originally dedicated in 1996. This year, God blessed us with the vision and ability to completely renovate this sanctuary to give us a space to grow and minister for the future. We are truly blessed beyond measure and now it is our turn to thank God for his provisions, not only today but through years past.

During the month of October, we want to focus as a congregation on the incredible blessings God has given us. Not only in facilities, but in the growth of our fellowship and the deepening of our spiritual lives. November 5th is being designated as "Giving Sunday". On this day, we will receive a special, dedicated offering to pay off the cost of our most recent sanctuary renovations. We want everyone to really spend time reflecting on the blessings God has given us and how we can return a portion of those blessings to God. Paying off these renovations sooner, rather than later, will allow us to be ready for the next call God places on Second Baptist. Any monies remaining after renovations are paid for will be used to pay off the remaining debt on the Family Ministry Center.

The cost of one seat in this sanctuary was approximately \$250. Can you pay for half a seat? Maybe God is leading you to pay for a whole seat or even 2 or more seats? Please begin now to prayerfully consider how much you can contribute to this campaign. Remember, God considers the heart of the giver, not the amount of the gift. No amount is too large or too small.

November 12th is being designated as "Thankful Sunday". On this day, we will spend our time worshiping God and thanking Him for always providing abundantly more than what we need. Won't you join us in celebrating what God is doing here at Second Baptist?
